## *Principal*

*Mrs. Shereene D. Wilkerson*

The middle school years may be the most challenging time in your life. As you grow academically and mature socially you may experience failure on your road to success. Hold each experience here at Willis Jepson precious as you make the transition to adulthood. Your generation will be the leaders of tomorrow.

To often, like Gatsby, we tend to spend so much of our lives "in between time," a foot in the past, a glance to the future. That's what middle school is all about.

Fondly and with best wishes always,

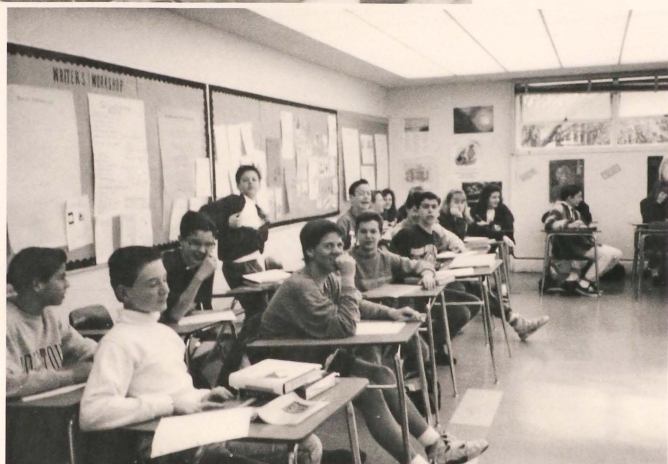

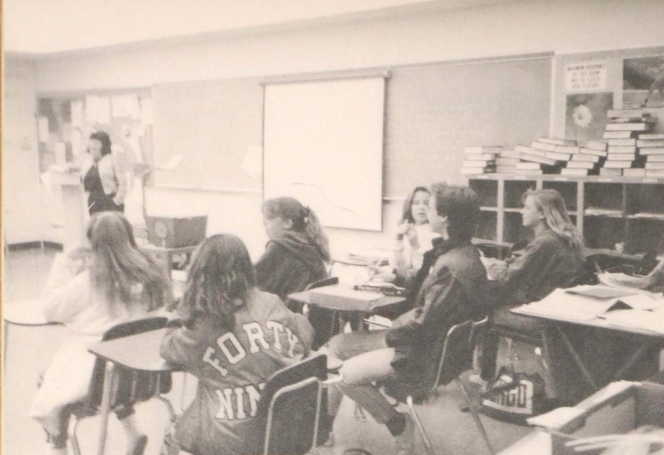

Your Principal, Mrs. Shereene D. Wilkerson
